

Matter

Anything that has mass and takes up space

Physical Properties

I can observe

I can measure

Size	Mass	Shape	Color	Texture
How large or small something is.	How heavy or light something is.	The outline of a closed figure.	The shade of an object you see.	What the surface of an object looks and feels like.
Sense:	Sense:	Sense:	Sense:	Sense:
Large	Heavy			
Small	Light
